What are your burning questions?

[Rob to write down five or six questions and make sure that they get answered over the course of the next 45 minutes]

Why are we here?

- Doing a sport that can be done for life ("more kids on bikes")
- Supporting local advocacy (bikes for transport, trail access and planning) - MCBC, Access4Bikes
- Spend more time with your teenager in a mutually engaging activity
- We are an inclusive family first (always supporting each other regardless of skill level)

Why do we race

- Racing provides a public stage to showcase our hard work in an unambiguous fashion...
- Each Rider owns his or her results, and that is a valuable tool for personal growth

- Got Freshmen? <https://www.youtube.com/watch?v=nvABfshenuo>

Who are the riders

- 69 registered Riders, 48 boys and 21 girls (28 new riders) 24 Frosh, 21 Soph, 7 Jun, 17 Senior
- Why do they say they ride?
 - 50% - Have Fun
 - 30% - Get Fit
 - 20% - Compete
- We have indeed won State 3 times running, but this is why our Riders show up in hailstorms and rain and snow!

Work with the Parent Committee!

- All information comes to parents through email. It is essential to read emails, and respond when needed.
- The website has a lot of information, if you have questions you can try there.
- Come to parent meetings; first Tues of month
- Pitch in culture of team. Everyone helps out. We need you to sign up for volunteering when sign up sheets get emailed out before races. There are many jobs. If you don't know how to do it, we will teach you!
- Handout with upcoming dates and quick access info
- Buddy Info
